A Heartfelt Thank You to Our Donors

We would like to express our deepest gratitude to our 2023-2024 scholarship donors: Pastor & Mother Evelyn Williams, Tehuana Johnson, and Marcus McCallum. Their generosity and support have made a significant impact on our New Hope Christian Academy community.

Pastor & Mother Evelyn Williams have been unwavering supporters, and we are incredibly thankful for their continuous dedication. Tehuana Johnson, whose four children attended NHCA during our early years, and Marcus McCallum, a childhood friend of our founder Kimberly Gegner, have also been instrumental in our mission. Their monthly donations have enabled us to offer discounted tuition to families in need, ensuring that more students can benefit from the education and values we provide.

We are truly blessed to have such wonderful donors who believe in the work we do. If you or someone you know would like to become a donor, please visit our website at www.nhcatech.com/donate.

WE NEED YOUR HELP!

New Hope Christian Academy is a private school who services students who live in Philadelphia, PA and its surrounding suburbs. It is our mission to provide stellar education to underprivileged children in the area who otherwise could not afford it.

With the **Sponsor-A-Child Program**, we are able to keep the cost of tuition affordable for low-income families. Your contribution will assist us in making the future brighter for our youth.

SPONSOR-A-CHILD

It costs NHCA \$10,000 a year to educate one student. Parents are expected to contribute \$3,500 per student each year. In an effort to keep costs lower for families, NHCA is asking churches, businesses, and individuals to partially or fully sponsor a student. Those who donate can take pride in knowing that their donation is enabling students to receive a Christ-centered, academically challenging, and technologically advanced education that may have been unaffordable.

Sponsors create a powerful incentive for low-income families to send their children to private, faith-based schools. Being a sponsor is truly an opportunity to make a direct and lasting impact on the life of a child.

Meet Our Legacy Students

At New Hope Christian Academy (NHCA), we are honored to educate a remarkable group of students each year. Among these are our legacy students—those whose parents once walked the same halls and shared in the same traditions. This year, we are especially proud to recognize our senior, Seyani Washington, as the first legacy student to graduate from NHCA. Seyani, along with her fellow legacy students, represents the enduring principles and values that define our academy. By continuing to educate the children of our alumni, NHCA reaffirms its dedication to fostering a strong, supportive community rooted in shared values and mutual respect. Here's to the next generation of leaders, scholars, and faithful servants—proudly carrying forward the legacy of New Hope Christian Academy.

Seyani Washington: Seyani is making history as the first legacy student to graduate from NHCA. She is the daughter of Ebony Wharton, who attended NHCA in 2006. Seyani's journey through NHCA has been marked by academic excellence and a commitment to the school's values.

Domenick Washington: Also a child of Ebony Wharton, Domenick is following in his sibling's footsteps, continuing the Washington family tradition at NHCA.

Jaiana Edwards: Jaiana is the daughter of Jaquille Ingram, who attended NHCA from 2006 to 2009. Jaiana brings the same spirit and dedication her mother exhibited during her time at the academy.

Azaria Compton: Another proud child of Ebony Wharton, Azaria is part of the legacy that their mother started, embodying the principles of faith and learning at NHCA.

Chase Avery Spall and Carter Avery Spall: These brothers are the sons of Justin Williams, who attended NHCA intermittently from 2006 to 2013. Chase and Carter are continuing their father's legacy by engaging fully in the academic and extracurricular life of the school.

Avery Gegner: Avery is the daughter of Mary Gegner, who graduated from NHCA in 2011. Avery's presence at NHCA is a testament to the lasting impact the school has had on her family.

THE ALUMNI CONNECTION

KEEPING THE NEWHOPEIAN SPIRIT ALIVE

CELEBRATING THE ACHIEVEMENTS AND SUCCESSES OF OUR NEWHOPEIAN ALUMNI, AS THEY EXEMPLIFY THE ENDURING SPIRIT OF OUR SCHOOL COMMUNITY WHILE MAKING THEIR MARK ON THE WORLD.

FROM STUDENTS TO STAFF AT NHCA

New Hope Christian Academy (NHCA) has always been more than just a school; it's a community with a rich history of nurturing students who later return to contribute to their alma mater. This enduring tradition fulfills the vision of our founders, Kimberly Gegner and Alicia Clark, who dreamed of educating students who would one day come back and work at NHCA. Over the years, we've been blessed with many alumni returning to enrich our school with their talents and dedication.

CURRENT STAFF AND ALUMNI:

Tynasia Williams, Class of 2011

Tynasia is one of the five original students of NHCA and currently serves as the Administrative Coordinator/Substitute Teacher. Her contributions are invaluable, as she plays a vital role in the administration, assists with high school gym classes, and manages the school store with exceptional business acumen.

Rebecca Williams, Class of 2015

Rebecca has been part of the NHCA staff since 2020 and teaches grades 4 through 8. An alumna of Delaware Valley University with a Bachelor's degree and an MBA, Rebecca is known for her ability to make learning fun and engaging. She also supports administrative tasks at the school, demonstrating her versatility and commitment.

Jeremy Williams, Class of 2016

Although Jeremy is a full-time hairstylist, he dedicates his days off to NHCA, helping to keep the school clean and organized. He also serves as the van driver for field trips, ensuring safe and enjoyable outings for our elementary and satellite classes.

Shelby Payton, Class of 2017

Shelby is currently the classroom aide for the Kindergarten class at NHCA - Northwest. She is studying Early Childhood Education at community college, with plans to graduate in 2025. Shelby is adored by her students and their parents, and she consistently receives high praise from the school district representative.

Imani Gegner, Class of 2021

Imani served as our dance teacher and classroom aide for PreK and Kindergarten students at the Roslyn location. Her exceptional teaching left a lasting impact on our students before she returned to Drexel University in March after completing her internship.

PAST ALUMNI CONTRIBUTIONS:

In addition to our current staff, we are grateful to alumni who have previously returned to share their talents with NHCA. This includes Khalea Spence and Brandon Williams, both Class of 2013; Asia Gegner and Abeni Cooper, both Class of 2020; Shayla Anderson and Halle Williams, both Class of 2021.

We extend our heartfelt thanks to all our alumni who have come back to NHCA, continuing to embody and nurture the spirit and values of our school. Your dedication and contributions are what make NHCA a truly special place.
